Subject: PCB removal from ex-USCGC STORIS
Attachments: CGC STORIS PCB Clean Up.pptx; STORIS_cable testing.pdf

Follow Up Flag: Follow up
Flag Status: Completed

Mr. Rollins

In response to your question about documentation that supports the Coast Guard position that the cutter STORIS was free of regulated PCB material the attached Power Point presentation created in 2007 following the removal action on board the cutter is provided for your use. I have also included a report on the testing of electrical cable on board the ship.
